People have different views about whether it is more important to reduce taxes or to keep up government spending.

Which of the following statements comes closest to your own view...?

The Conservatives have said that, if they are returned to power, they will cut taxes and also maintain current levels of public services.

Do you believe that, if they were returned to power, they would or would not be able to both cut taxes AND maintain current levels of public services?

Yes, they would be able to do both	<b>26</b>	63	6	18	21	25	16	17	29	23	25	25	28	28	24	31	32	26	20	16

At the moment both the Government and the opposition parties are considering making changes to the current system of taxation.

From what you know, please indicate for each of the following whether you are inclined to favour or to oppose the suggested change.

A substantial increase in the amount of money people can earn before they have to pay the top rate of income tax
